

## Parent Information Sheet – Thursday 16<sup>th</sup> November

### National Safeguarding Week

The internet is amazing. Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But with the digital world changing all the time, how can you make sure your child's staying safe? Attached to this newsletter is an information sheet with advice from the NSPCC and tips on helping to keep your child safe. If you are worried about online safety then please make an appointment to speak to a member of staff in school. Our Internet Safety workshop for parents will be running again after Christmas and our Digital Leaders will be on hand to offer support and advice to parents.

Safeguarding is a collective responsibility. It is important that we work together to ensure the safety of our pupils.

### Remembrance Service

Thank you to everyone who attended the remembrance service in Oakdale square on Sunday. Despite the cold and wet weather there were many pupils and parents representing our school. Thank you for your continued support.

### Children in Need

Just a reminder that tomorrow we will be supporting Children In Need. We were delighted that Pudsey and Blush visited school yesterday to talk to the children about some of the work they do. Tomorrow is a non-uniform day and donation of £1 is required to wear non-uniform. The theme for the day is 'Wear it Odd!' All money raised will be donated to Children in Need and we hope to have a total for you by the end of the school day.

### Dogs

It has been reported to me this morning that a number of parents have complained about dog fouling on the pavements outside the school grounds. Unfortunately, whilst I agree this is abhorrent, I am unable to prevent it from happening. This morning I have contacted the relevant department of the local authority to bring this to their attention and to ask for the area to be cleansed. If you still have concerns please follow the link and complete the relevant form. <http://www.caerphilly.gov.uk/Services/Environmental-health-and-pollution/Report-an-issue/Dog-related-issues/Dog-fouling>
